

# Jarrow Hall

Anglo Saxon Farm, Village and Bede Museum

Immersive educational experiences that  
bring the Anglo-Saxons to life

KS1

# Thank you for choosing to visit Jarrow Hall

We specialise in education focused upon the 'Dark Ages'. This covers the departure of the Roman Empire from Britain, the arrival of the Anglo-Saxons, their conversion to Christianity and Viking raids.

Our Education Team will help your class to further understand the period with hands on, interactive workshops and sessions in our reconstruction farm and buildings.

We currently have options for KS1 and KS2.  
KS3 and 4 groups are welcome to contact us to  
discuss an education visit.

We can't wait to help your group experience the Dark  
Ages!

# What we Offer

## KS1

Changes through Time

## KS2

Exploring Anglo-Saxon  
Britain

The Vikings and the  
struggle for England

# KS1

## Changes Through Time

Explore our reconstruction farm and village to gain an in-depth understanding of 'Changes through Time'.

Your visit to Jarrow Hall will involve our Changes through Time on the Farm session and the Observations of Seasonality Workshop.

We will be hosting a temporary, 6-week exhibition showcasing children's work on the theme 'Changes through Time'. Schools are welcome to submit a piece of work for our exhibition.

**Full day trip costs £250 for one class**  
**Half Day trip options available**

## Changes through Time on the Farm

- Explore a working Anglo-Saxon farm and reconstruction village.
- Learn how animals have been used over time.
- Compare the differences between Anglo-Saxon and modern farming techniques.
- Understand how Anglo-Saxons lived, what their houses were like and the differences and similarities to our lives now.

# KS1

## Anglo-Saxon Observations of Seasonality

- Explore the Anglo-Saxon calendar and experience the tasks that Anglo-Saxons would carry out from season to season.
- Choose One from:
  - *Sol Monath* (February), which Bede calls the 'Month of Cakes', where we will prepare and make Anglo-Saxon style cakes. These cakes were traditionally offered to mother earth.
  - *Thri Milche Monath* (May) - Month of Three Milkings. We will milk a dummy cow and make butter.
- We invite groups to join in with our 'Changes through Time' exhibition, where we hope to display work from schools around our KS1 topics.

## **Advice for Teachers**

Please read the following information regarding our workshops to help advise you on your visit. We always aim to make our workshops interactive, engaging and fun. We are happy to discuss any of your pupils' needs prior to your visit to ensure that everyone can access our education sessions.

### **Changes through Time on the Farm**

Children will explore the farm and buildings, there are animals on the farm – consider allergies.

Sensible footwear is advised.

Reconstruction buildings can be dark and smelly and we will have a campfire.

Consider for children who do not like loud noises, unfamiliar scents and sights

### **Observations of Seasonality**

Children will take part in a range of activities depending upon what you book.

We will use a range of historic tools which must be considered.

A focus of this workshop is upon food production and children will get hands on making foods that they are welcome to taste.

**We Can't wait to  
meet you in the  
Early Medieval  
Period!**

To book call 0191 536 4873 or email  
[education.stan@groundwork.org.uk](mailto:education.stan@groundwork.org.uk)

\*Groups are advised to wear suitable  
clothing and footwear for spending time  
outdoors
